Dear Valued Patient,

We are writing to inform you that as of **October 6, 2025**, Michael Jenks, M.D., is no longer practicing at Freestone Medical Center or any associated Health Clinics, to include Leon Health Clinic.

We understand this change may cause inconvenience, and we sincerely apologize for any disruption to your care. Our team is working diligently to contact patients with upcoming appointments so they may be rescheduled with another provider as soon as possible.
