

Fairfield Hospital District additional budget hearing – September 24, 2026

Fairfield Hospital District will have an additional budget hearing and meeting to re-approve its FY 2027 Annual Budget. It has come to the District's attention that there may have been a timing issue with the budget hearing notice that was published in the newspaper and a question had arisen as to whether the hearing notice was timely published. Although the District believes it materially complied with its obligations regarding the budget adoption process it has decided to hold this additional budget hearing to ensure that all hearing notices have been timely published. The additional budget hearing date will be Thursday, September 24th at the next regular meeting of the Fairfield Hospital District Board of Directors. Please visit the District's website at <https://freestonemc.com/district-information/> for other information regarding the budget.
